Dear Ladies and Gentlemen

RE: Front Fairing Fitment Rules

Following on from the successful introduction of “Drop Down Nosecones” in the Australian Kart Championships and Pro Tour, Karting NSW has introduced Drop Down Nosecones for all three rounds of the NSW State Championships in 2018.

The mandating of the Drop Down system has delivered a cleaner and fairer system of racing in all races where the system has been used, by penalising any competitor who uses the front of their kart to gain an advantage by making contact with another competitors kart.

The penalty for a dropped Nosecone infringement will be two places.

The Drop Down system will not be used at any other events.

Yours faithfully
Karen Newton
State Secretary
Karting (New South Wales) Inc.
