

Supplementary Regulations

ADDENDUM No. 3

For the

2007 National Rotax Championships
Ipswich Motorsport Precinct, Willowbank
Saturday 1st & Sunday 2nd September 2007

Issued: 7 August 2007

Addendum 3 to the supplementary regulations:

Control Fuel (refer Rule 22.03.7)

Premium Unleaded Fuel (PULP) purchased from the **Mobil Service Station, Cunningham Highway, Amberley Q. is the controlled fuel for this event.**

Fuel testing in accordance with Chapter 22 may be undertaken during any section of the competition, with samples being taken and tested for conformity against samples provided from the above-**nominated** supplier. Competitors are reminded that fuel tanks and storage drums should be emptied prior to being filled with the **control fuel** purchased for this meeting to avoid contamination from previously purchased fuels.

Add to Fuel:

As per Rule 22.03.7 ELF BK07 is an option for use **with samples being taken and tested for conformity against samples provided from the competitor.**
