(Always use your team's name or kart number for reference).

C. MEETING FORMAT

FORMAT OF CLASS / TEAM RACING:

Practice	Sessions will be held as defined in the Timetable.
Qualifying	There will be no timed Qualifying at this Event as defined in the timetable. Round 4 starting grid will be determined by the Outright Championship order prior to the event.

	<p>Round 5 starting grid will be determined by the Outright Championship order after the points are added from Round 4, with the top 15 places inverted – ie. 15th Championship place will start 1st, 14th place will start 2nd, etc.</p> <p>Teams competing their first event of the season will start rear of grid on both days, in kart number order from lowest to highest.</p>
Starting Grid	Will be as per the Endurance Grid Determination Regulations.
Race	<p>The event will consist of two (2) races. Round 4 and Round 5.</p> <p>Round 4 Track direction – Clockwise Duration: 6 hours Compulsory pit stops: 8 including a minimum of 4 fuel stops.</p> <p>Round 5 Track direction – Clockwise Duration: 5 hours Compulsory pit stops: 7 including a minimum of 3 fuel stops.</p> <p>Normal points being awarded for finishing positions in both races (see point score table).</p> <p>The races will commence with a standing start. The minimum number of drivers is 2. Cross entering of drivers between teams is not permitted. Any "P" plate (D Grade) Driver starting the race, MUST start rear of field.</p>
Pit Lane	<p>Speed limit in the pit area is restricted to 15kph (or as displayed in the pit area), to be measured by radar screen and/or by the pit lane official. Penalty for exceeding this speed limit will be determined by the officials and can include a stop-go penalty for the first offence, 5 lap computer timing penalty for a second offence and a 10-lap penalty for a third offence.</p> <p>Pit lane minimum time is the minimum time set to pass between 2 fixed points in the pit lane. This set time value and details will be notified at drivers briefing. This applies to all karts entering pit lane for any purpose during racing and is not applicable for Practice or Qualifying. Penalty of 10 seconds for every 1 second, or part thereof, under the minimum set time. This will be Judge of Fact by Chief Timekeeper.</p> <p>Compulsory fuel stops must take place at the fuel bay. In the rare case where a team may not need additional fuel, however, are still required to complete the compulsory stop, the driver must still stop the kart at the fuel bay and turn the engines off. The driver will remove themselves from the kart and request no fuel be added to the tank, before being told to hop back into the kart and resume the normal restart procedure. This way there will be no confusion with the fuel marshals who check off each kart's compulsory stops as completed. The minimum pit time for a fuel stop will still apply.</p> <p>In the event of a mechanical breakdown/repair, this stop will be counted as a compulsory stop, however, cannot be used as one of the compulsory fuel stops.</p> <p>Drive through penalties/stop-go penalties will have the minimum pit time of a drive-through applied.</p>

	<p>Should a Virtual Safety Kart (VSK) be deployed, the entry of the pits will be closed. Karts are not to enter the pits under any of the following conditions.</p> <ul style="list-style-type: none"> - Full course yellow - Pit lane closed board in place - Pit lane closed red light on - VSK board displayed <p>Karts that enter the pits prior to the VSK can re-enter the track safely and must join the freight train as soon as possible, while being mindful that there may be an incident on the circuit. The pit exit is not to be closed. Karts that are in the pits for mechanical repairs prior to the VSK can also re-enter the track safely.</p> <p>ALL MINIMUM PIT TIMES WILL BE ANNOUNCED AND DISPLAYED BEFORE COMMENCEMENT OF RACE 1.</p> <p>ALL JUDGE OF FACT TIMING PENALTIES WILL BE APPLIED POST RACE</p>
Virtual Safety Kart	A full course yellow (Virtual Safety Kart) may be used at the discretion of the Clerk of Course.
Driving Time Limits	Driving time limits must be observed as per the KNSW Endurance Regulations and the TEKA Driver Grading System.

POINTSORE SYSTEM:

Teams will receive 20 championship points for entering each Event.

DNF Points will be awarded to Karts that finish at least 75% of the race, DNF points will be HALF the points of the lowest placed finishing Kart.

www.teka.com.au. The grading of an individual driver will be determined by the event Officials or organising committee. The organising committee reserve the right to grade teams in PRO, A, B or N Grade.

N Grade karts are not eligible for series points however can start the race from the position they qualify.

TROPHIES & PRIZES:

Point scores, trophies and prizes can only be determined once all post-Race penalties have been applied. All results are preliminary until 7 days after the conclusion of the event.

Trophies or Medals will be awarded for 1st, 2nd and 3rd in PRO, A Grade & B Grade.

1st, 2nd and 3rd in each Class / Grading will be determined by the highest to lowest point score at the completion of the event. **Each race is an individual Round of the Championship. Trophies or medals will be awarded separately for each race/round.**

E. MEETING CONDITIONS

TYRES:

Any number of tyres may be used in Practice Sessions, including the Sunday morning session. Only one (1) set of the prescribed Dry Weather Tyres are permitted for the two rounds. Two (2) sets of the prescribed Wet Weather Tyres are permitted, however only one set can be used in each race.

Tyres will be marked prior to round 4 race on Saturday.

CONTROL FUEL:

Control Fuel Will be used at this Meeting.

Caltex Vortex 95 or 98 Fuel must be purchased and used at this Meeting.

The Fuel must be purchased from any Caltex or Woolworths-Caltex service station.

You will need to purchase 70 litres of Fuel for each Kart.

Fuel is to be purchased no more than two (2) days prior to the start of the Meeting.

Proof of purchase of the Fuel must be retained and produced to the Chief Scrutineer or Fuel Marshal if required.

Before Qualifying, once the Fuel Bay opens, all Karts must be presented with empty Fuel tanks.

After receiving their Fuel, Karts are to remain in Parc Ferme, under direction of the Officials.

Competitors/Pit Crew may continue to work on their Karts whilst in Parc Ferme.

NOTE:

Any kart entering the pits during a timed qualifying session will be weighed. If a kart is found to be underweight it will be disqualified from that session and start the race at the rear of the grid. Failing to attend the weigh bridge during a qualifying pit stop will result in disqualification from the session.

TECHNICAL:

Engines may be taken by the club for post-race technical inspection.

Lights may be fitted to karts but are not mandatory. Any lights fitted to karts will be checked by the Chief Scrutineer, who has the discretion to allow/not allow karts on track. Engine logbooks must be presented with your kart for all scrutineering sessions.

F. CLUB/TRACK REQUIREMENTS

MEDICAL SERVICES:

Any Medical assistance that is required outside of the operating hours when Karts are not on the Race Track please contact 000. The address to give to the Emergency Services is:
