C. MEETING FORMAT

FORMAT OF CLASS RACING:

Practice	sessions will be held as defined in the Timetable.
Qualifying	<p>There will be Timed Qualifying at this Event.</p> <p>There will be two (2) timed qualifying sessions as defined in the event timetable.</p> <p>Qualifying will be: Session 1 - 10 min full field qualifying session, which will set the field for session 2 (DRIVER A)</p> <p>Session 2 - A 1 lap shootout qualifying session involving the full field. Slowest Kart from session 1 starts first, through to the fastest kart in session 1 starting last (1 kart on track at a time to complete 1 timed lap). Results from this session will set the grid for Sunday's race. (DRIVER B)</p>

	A different driver is to be used in each session.
Starting Grid	Will be as per the Endurance Regulations Grid Determination – Section 4E.8.7.
Race	<p>The event will consist of one (1) race on Sunday 4th February 2024</p> <p>Race 1 Sunday 4th February 2024 Duration: 5 hours 50 minutes hours Compulsory pit stops: 8 including a minimum of 4 fuel stops.</p> <p>Normal points being awarded for the Sunday race (See points score table) The race will commence with a standing start. The minimum number of drivers is 2. Cross entering of drivers between teams is not permitted. Any "P" plate (D Grade) Driver starting the race, MUST start rear of field.</p>
Pit Lane	<p>Speed limit in the pit area is restricted to 15kph (or as displayed in the pit area), to be measured by radar screen and/or by the pit lane official. Penalty for exceeding this speed limit will be determined by the officials and can include a stop-go penalty for the first offence, 5 lap computer timing penalty for a second offence and a 10-lap penalty for a third offence.</p> <p>Pit lane minimum time is the minimum time set to pass between 2 fixed points in the pit lane. This set time value and details will be notified at drivers briefing. This applies to all karts entering pit lane for any purpose during racing and is not applicable for Practice or Qualifying. Penalty of 10 seconds for every 1 second, or part thereof, under the minimum set time. This will be Judge of Fact by Chief Timekeeper.</p> <p>Compulsory fuel stops must take place at the fuel bay. In the rare case where a team may not need additional fuel, however, are still required to complete the compulsory stop, the driver must still stop the kart at the fuel bay and turn the engines off. The driver will remove themselves from the kart and request no fuel be added to the tank, before being told to hop back into the kart and resume the normal restart procedure. This way there will be no confusion with the fuel marshals who check off each kart's compulsory stops as completed. The minimum pit time for a fuel stop will still apply.</p> <p>In the event of a mechanical breakdown/repair, this stop will be counted as a compulsory stop, however, cannot be used as one of the compulsory fuel stops.</p> <p>Drive through penalties/stop-go penalties will have the minimum pit time of a drive-through applied.</p> <p>Should a Virtual Safety Kart (VSK) be deployed, the entry of the pits will be closed. Karts are not to enter the pits under any of the following conditions.</p> <ul style="list-style-type: none"> - Full course yellow - Pit lane closed board in place. - Pit lane closed red light on - VSK board displayed. <p>Karts that enter the pits prior to the VSK can re-enter the track safely and must join the freight train as soon as possible, while being mindful that there may be an</p>

	<p>incident on the circuit. The pit exit is not to be closed. Karts that are in the pits for mechanical repairs prior to the VSK can also re-enter the track safely.</p> <p>Reference to VSK is in the Karting NSW rule book under 4E.9.8 Endurance Full course yellow.</p> <p>ALL MINIMUM PIT TIMES WILL BE ANNOUNCED AND DISPLAYED BEFORE COMMENCEMENT OF QUALIFYING.</p> <p>ALL JUDGE OF FACT TIMING PENALTIES WILL BE APPLIED POST RACE</p>
Virtual Safety Kart	A Full course Yellow (Virtual Safety Kart) may be used at the discretion of the Clerk of Course.
Driving Time Limits	Driving Time Limits must be observed as per the Endurance Regulations – Section 4E.8.2.

The series shall be scored on an outright basis for all teams competing in the Briggs & Stratton Championship (PRO, A and Heavy grades), scoring points for the outright position achieved with the exclusion of any N grade teams.

Teams wishing to be eligible for Championship points in a particular grade must field a driver line-up in accordance with the allowable grade combinations nominated in the TEKA Driver Gradings, available at www.teka.com.au. The grading of an individual driver will be determined by the event Officials or organising committee. The organising committee reserve the right to grade teams in PRO, A, Heavy or N Grade.

N Grade karts are not eligible for series points however can start the race from the position they qualify.

TROPHIES & PRIZES:

Point scores, trophies and prizes can only be determined once all post-Race penalties have been applied. All results are preliminary until 7 days after the conclusion of the event.

Trophies or Medals will be awarded for 1st, 2nd and 3rd in Pro Grade, A Grade & Heavy Grade. 1st, 2nd and 3rd in each Class / Grading will be determined by the highest to lowest point score at the completion of the event. On two-race weekends, points will be tallied over the two races, both races being worth full points. In the event of a tie, countback will occur based on the greatest number of 1st places, followed by the greatest number of 2nd places, 3rd places, etc. If there is still a tie, qualifying results will be used to determine the order of places.
